Dear Broadcasters:

Broadcasters are "Bringing Community Service Home" to the tune of 6.8 BILLION, according to the broadcast industry's first ever, nation wide community service census. And now we are asking you to spread the word.

The enclosed flyer highlights the industry's census results and includes many ideas designed to make it easy for you to communicate our \$6.8 BILLION commitment to policymakers and your local communities. And don't be shy about using the airwaves to promote our terrific industry record. We have enclosed new public service announcements to help get you started.

Let us know how you implement the campaign at your station(s).
We want to keep Washington
policymakers and the media informed.

By showcasing our industry's exemplary dedication to community, this campaign promises incredible results. We will find better informed policymakers who appreciate broadcasters' voluntary commitment to community, beneficiaries who will speak out on our behalf, increased public appreciation for broadcasters' contributions and, perhaps most important, a revitalized industry which recognizes the key to its future is its commitment to localism.

Thanks in advance for your help.

PS you only need 3000 watts per station as it should be per Communications Acts of 1927 and 1934.

FCC, Has taken the Communications Act's Of 1927 & 1934, Which Where Established for the American People, All The People, not Just The Rich and Wealthy, Radio Conglomerates, The NAB, or Investment Firms. The Act's where created for all people to have an Opportunity, to Compete, on a JUST AND HONEST, PRINCIPAL FOUNDATION. The FCC has Taken the Communications Act's of 1927 & 1934, and used it with Total Disregard Against 99.9 % of the Peoples Democracy.

Proposal for Creation of the Low Power FM)

To: FCC / Mass Media Bureau

Dear Honorable, Senators, and Congressman:

I as a Constituent, Request you to hold Hearings on the FCC for Violations of the Communications act's of 1927 & 1934, in which they have Discriminated Against 99.9% of the American People

The Communications Act's stated explicitly, 3

LAWs: the FCC has Broken
all 3 Laws, AS NOTED:

1. Stop Chaos: There's more Chaos now than ever when The FCC lets the NAB have power levels of 10, 25, 50, 100, 150, and 200 Hundred Thousand Watts of Power, the purpose of the Communications Act's where for, when a American is granted a FCC Broadcast License, he is to Serve his Community's Needs And Concerns., the Largest Urban City May require Power Levels of 3000 Watts No More, in other Words there Should be No Radio Station in the United States At this Present Moment with power Levels to Exceed 3000 Watts. the FCC, has broken the LAW for the RICH AND WEALTHY AND THE NAB.

2. POWER LEVELS TO SERVE A COMMUNITY <NOT A WHOLE STATE AND OR STATES>, with power levels of 10 thousand and up to 300 thousand Watts, they serve no body but the NAB, and keep Woman, Blacks, and Other Minoritys From Competing, in the Broadcast Industry, Thanks to shrinking technology prices, LPFM RADIO at 50 WATTS can generate an FM radio signal with as little as \$500 worth of equipment. But seeking a license from the Federal Communications Commission can require an investment of \$100,000 and or up to \$300,000.

3. The FCC will Grant A FCC License Only When The Applicant, will Serve its Community, this is the Biggest, Crime Against the American People and the Communications Act's of 1927 & 1934. They The FCC will not grant a License Below 100 Watts WHY???????, there is no REASON Except the NAB Said SO,

You As My
Elected Official Need To React To This Run Away Branch Of My Government. You
Need To, Reveal to the Public, the Crimes For The Last 64 Years:
By the FCC Commissioners

There Policy Makers
There Enforcement Branch
There Attorneys

and any other members of this, very
sad independent branch of my Government

Sincerely
Mr. D'Alessandro
